

ATTENTION:

**PUBLIC SERVICES COMMISSION CHAIRMAN
Mr. Joseph Boschulte & The PSC Board Members**

I am forwarding this letter to ask the PSC Board to rescind the last increase of 19% to WAPA effective immediately based on the following reasons:

1. The price of oil has steadily declined by 34%.
2. WAPA is set to receive approximately \$18,000,000 from our Government.
3. Tax payers cannot afford any additional increases to the cost of living in the Virgin Islands.
